

Welcome!!!

My wife and I named this restaurant after our daughter. To make her proud, *Mackenzie's* strives to bring you the freshest ingredients, the best quality meats and fish, as well as the best service in town. We hope our wood-burning grill and candlelight provide a cozy and romantic atmosphere. If there is anything we can provide to make your time with us even more memorable, please inform the staff or management. We are here for you.

So Please...sit back, relax and enjoy a glass of wine while we prepare your food from scratch.
